

# Global Kidney Academy

## CKD Master Class

November 2010

Professor Meguid El Nahas

PhD, FRCP

Consultant Nephrologist  
Sheffield Kidney Institute, Sheffield

## Programme

### Day 1

8.15 am Welcome:  
Course Introduction & Objectives

8.30-9.00am  
Initial MCQ evaluation

#### MCQ self-assessment

#### CKD Epidemiology session

9.00 – 9.30am

Global Epidemiology of CKD

9.30- 10.00am

CKD Classifications: Critical appraisal

10.00- 10.30 am

CKD: Risks in the Communities

Session followed by:

10.30-11.00am

Breakout groups to discuss:

1. Planning a CKD detection Programme
2. Revision of CKD classification
3. Reducing CKD burden
4. Addressing ESRD shortage in developing countries

11.00-11.30:

Breakout groups Presentations

11.30-12.00 Coffee Break

#### CKD Mechanisms & Management session

12.00-12.30

CKD: Mechanisms of scarring; Update

12.30-1.30pm

Case-based discussion of:

CKD Progression & Management

Session followed by:

1.30-2.00pm

Breakout groups to discuss:

1. Strategy to slow CKD progression
2. Strategy to reduce CKD complications
3. Setting up a CKD regression clinic
4. Setting up a Low clearance clinic

2.00-2.30pm Breakout groups  
presentations

2-3:30 Lunch and Break

3:30 – 4:00 pm Industrial Symposium

#### Meet the Expert Session

4-6pm

CKD: Case-based discussions of  
Common Nephrological Problems

End of day 1

## Day 2

### CKD and CVD session

8.30-9.30am

CKD & CVD: One or two diseases?

9.30-10.00am

CKD & Ageing

10.00-10.30am

Diabetic Micro & Macro Vascular Disease

Session followed by:

10.30-11.00am

Breakout groups to discuss:

1. How to minimise CVD in HD
2. How to minimise CVD in Tx patients
3. How to minimise CVD in DM
4. How to minimise CVD before RRT

11.00-11.30:

Breakout groups Presentations

11.30-12.00 Coffee Break

### CKD "How to" session

12-2.00pm

How to:

Introduction to critical appraisal

Design a Clinical Trial

Clinical Trials in Nephrology

Write a paper and make a presentation

2-3:30 Lunch and Break

3:30 – 4:00 pm Industrial Symposium

4.00-4.30pm

Breakout groups to discuss:

1. Design a clinical trial to test a new drug for CKD
2. Critically appraise a publication
3. Plan a clinical research facility
4. Write an abstract on CKD management

4.30-5.00pm:

Breakout groups Presentations

5.00-6.00pm

MCQ self-assessment

Evaluation & Feedback session

End of Meeting & Feedback
